Every Part of You: Tempts Me (#1) By Megan Hart

A sizzling new erotic E Serial from New York Times Bestseller Megan Hart.

She likes to watch. He likes to keep hidden. Total opposites on a collision course to a relationship neither can deny.

Simone Kahan's been watching Elliott Anderson through her office window for months. He likes to bring women back to his office for late-night trysts, and Simone enjoys her voyeurism until one night, Elliott appears to go too far with his date. The other woman might not be into spanking, but Simone is, and when she meets Elliott in the elevator later that night, she makes sure he's intrigued enough by her to ask her to go with him to the party he no longer has a date for.

Thrown together by circumstances he'd never have imagined, Elliott isn't sure what to think about Simone. She's nothing like the women he normally dates, but something about her draws him in until he can't stop himself from wanting her...until their goodnight kiss becomes something harder. Harsher. Simone responds to his rough hands as no woman ever has, and Elliott's not ready to pursue what he's always told himself is wrong.
