Fearful Passages (Call of Cthulhu Roleplaying Game Series) By Marion Anderson, Phil Anderson, Gustaf Bjørksten, Sean Branney, Geoff Gillan, Steve Hatherley, Peter Jeffery

The golden age of travel occurred between 1880-1939. As travelling times shrank, destination became more important than the journey, a notion now so common-sensical that we blink to think that the reverse was once truer. FEARFUL PASSAGES contains nine adventures set in the 1920s, when travel could be by turns long, arduous, luxurious, and debilitating, but always full of incident and meaning.
