## Fooling Around By Noelle Adams

**In this steamy novel from *New York Times* bestselling author Noelle Adams, a notorious tech mogul makes a mild-mannered woman an offer she can't refuse. What he gets is a battle for control—and a million-dollar affair.**

Eric Vincent isn't in the habit of asking for help. As the founder of a lucrative sports videogame franchise, he's accustomed to getting his way and enjoying the fruits of his hard-earned success. Then all his illusions of dominance are shattered by a skiing accident that leaves him hobbled, facing a string of surgeries and months of immobility. The only way he's going to survive is with someone by his side to anticipate his every desire. Someone who will devote every waking second to his comfort. Someone like Julie Nelson . . .

Julie's life revolves around other people: her students, her parents, her sister. But even she has her limits. Julie has zero interest in playing personal assistant to Eric Vincent, a man who's as arrogant as he is charismatic . . . until he ups the salary to one million dollars for three months' work. Soon Julie's struggling to bite her tongue—and resist the chemistry that draws her to Eric. But after one scorching kiss, Julie decides it's finally her turn to be selfish. And this time, she's going to get what *she* wants.
