### Foreigner 1-3: Foreigner, Invader, Inheritor By C.J. Cherryh

This is a paperback 3 book set of the first three books of the Foreigner Series. Following are descriptions of each book: The first book in C.J.Cherryh's eponymous series, Foreigner begins an epic tale of the survivors of a lost spacecraft who crash-land on a planet inhabited by a hostile, sentient alien race. From its beginnings as a human-alien story of first contact, the Foreigner series has become a true science fiction odyssey, following a civilization from the age of steam through early space flight to confrontations with other alien species in distant sectors of space. It is the masterwork of a truly remarkable author. When his world is threatened by the arrival of a renegade starship, paidhi to the atevi court Bren Cameron is targeted by an archconservative faction and finds his only hope for survival in a daring communication with the starship. Six months have passed since the reappearance of the starship Phoenix - the same ship which brought humans to the world of alien atevi nearly two hundred years ago, leaving a small and vulnerable colony to struggle for survival in a hostile environment. During these six months, the alien atevi have striven to reconfigure their fledgling space program in a breakneck bid to take their place in the heavens alongside humans. But the return of the Phoenix has added a frighteningly powerful third party to an already volatile situation, polarizing political factions in both human and atevi societies, and making the possibility of all-out planetary war an even more likely threat. On the atevi mainland, human ambassador Bren Cameron, in a desperate attempt to maintain the peace, has risked alienation from his own people by communicating with the staff of the Phoenix as spokesman for the atevi, and has arranged for one human representative from the Phoenix to take up residence with him in his apartments, and for another to be stationed on Mosphiera, humanity's island enclave.
