It Will Rain: A book of essays By Dina Kucera

Strong. Brave. Inspiring. This is how people described her, and she embraced these compliments because she enjoyed being complimented. Even if inaccurate. Her prayers for a happy, healthy family were answered. They survived. She survived. “I lay down one day to take a short nap and didn’t get out of bed for eight months.” For eight months, she was not strong or brave or inspiring. For eight months, she couldn’t breathe and couldn’t get out of bed because her heart felt broken. But why? It Will Rain is a book of essays. Dina Kucera is either a stand up comic and humor author, or the sky is black and she is doomed. She doesn’t visit the middle very often. It’s black or white. Never beige. So the writings in this book are exactly that—an exact interpretation of her life. Sad, funny. Traumatic, hilarious. Writing this book made it possible for Dina to make her way toward redemption, faith, and hope. Seeking redemption is an act in itself that requires bravery. So she is strong after all.

Editorial Review

About the Author

Dina has been a writer and stand-up comic for more than twenty years. She lives in Phoenix with her husband John, her daughters Jennifer, April, and Carly, and two grandsons, Moses and Matthew. She hopes to sell enough books to buy groceries and beef jerky.

Users Review

From reader reviews:

Sherry Stevens:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each book has different aim as well as goal; it means that e-book has different type. Some people feel enjoy to spend their time and energy to read a book. These are reading whatever they acquire because their hobby is reading a book. Why not the person who don't like looking at a book? Sometime, individual feel need book whenever they found difficult problem or maybe exercise. Well, probably you will require this It Will Rain: A book of essays.

Joshua West:

Book is to be different per grade. Book for children right up until adult are different content. As it is known to us that book is very important usually.
