Editorial Review

Review

"An effective, respectful approach to discipline requires a new lens, a lens that differs from many of the most common approaches to discipline. *No Bad Kids* offers that lens, providing practical ways to respond to the challenges of toddlerhood while nurturing a respectful relationship with your child. This book empowers parents to calmly address behaviors while honoring kids' feelings and experiences, thus giving them discipline experiences that help their developing brains thrive." - **Dr. Tina Payne Bryson, co-author of *The Whole-Brain Child* and *No-Drama Discipline***

"Powerful, inspirational, and supportive. Janet Lansbury has expanded and built upon what Magda Gerber originally taught and modeled, while remaining true to the original philosophy. This is an indispensable guide." - **Lisa Sunbury, *RegardingBaby.org***

"Whenever I have moments of doubt or confusion -- surrounding tantrums, moving, new schools, etc.-- I often turn to Janet Lansbury's website. I've mentioned it a few times because her thoughtful advice always rings true. She clearly *respects* children and reminds you that they're whole people in need of gentle love and compassion -- even when they're driving you bats:) Her books about parenting and discipline reflect this wonderful approach." - **Joanna Goddard, *A CUP OF JO***
