Editorial Review

Review

I bought this book to create a quiet book for my little one for Christmas. I was very happy with book i made am happy that I had so much help making it. My daughter is very happy with her little book. My kids 3-8 all love the book. --Amazon

I love this book! I purchased it to make quiet books for my Grandson and granddaughter. The patterns were very easy to follow and the instructions in the books really helped to get the pages put together. I was impressed how neat and professional each page looked when it was finished. If you are making a quiet book for the first time, I highly recommend this book! --Amazon

I wish I had this book years ago. In the past I made quiet books for my children but it took so much time figuring out how to make each page. I love this book because every step is written out, including helpful hints so you can't make a mistake. This is the kind of quiet book that is perfect for anytime you need your children to be quietly occupied -- like waiting in a doctor's office, driving in the car, sitting in church, etc. I especially love that each page helps you know what skill your child can learn. As Amy reminds us in her book, play is part of learning for children. Both "crafters" and "not-so-crafty" people will love the easy to follow directions and children will love the quiet learning activities. --Amazon

From reader reviews:

Patricia Vasquez:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each book has different aim or maybe goal; it means that book has different type. Some people truly feel enjoy to spend their time and energy to read a book. They may be reading whatever they get because their hobby is usually reading a book. How about the person who don't like studying a book? Sometime, man feel need book once they found difficult problem or perhaps exercise. Well, probably you will require this Quiet Book Patterns: 25 Easy-to-Make Activities for Your Children.

Mary Salas:

As people who live in the particular modest era should be update about what going on or information even knowledge to make these keep up with the era which is always change and advance. Some of you maybe will probably update themselves by examining books. It is a good choice in your case but the problems coming to an individual is you don't know which you should start with. This Quiet Book Patterns: 25 Easy-to-Make Activities for Your Children is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

Jill Goulet:

Many people spending their time by playing outside using friends, fun activity using family or just watching TV all day long. You can have new activity to shell out your whole day by studying a book. Ugh, do you think reading a book really can hard because you have to take the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Smartphone. Like Quiet Book Patterns: 25 Easy-to-Make Activities for Your Children which is keeping the e-book version. So , why not try out this book? Let's notice.

Patrick Bodin:

As we know that book is significant thing to add our information for everything. By a guide we can know everything we would like. A book is a set of written, printed, illustrated or even blank sheet. Every year had been exactly added. This reserve Quiet Book Patterns: 25 Easy-to-Make Activities for Your Children was filled about science. Spend your spare time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading the book. If you know how big benefit from a book, you can sense enjoy to read a book. In the modern era like today, many ways to get book which you wanted.
