### Editorial Review

From the Back Cover

You can be an intercessor to whom the Lord "holds out the golden scepter."

The story of Esther offers one of the most gripping dramas in the Bible. An evil plot threatens not only the beautiful young queen but all her people. The future of the nation is stayed on one hope--that Esther can intercede with the king.

From the story of Esther, Larry Christenson presents a bold view of intercession. The intercessor stands between two realms, the natural and the spiritual. Intercessory prayer brings the power of heaven down to earth. Step by step, Esther's intercession results in deliverance from the power of evil.

The power of evil intrudes in our lives, too. It comes under many guises--schemes, betrayal, sickness, addiction. What can we do? *The Mantle of Esther* presents a challenge to enter that place of intercession where the enemy in our midst must yield to the authority and power of the King of kings.

I will read Esther through new eyes in the future. Prayerful eyes."--Janette Oke, bestselling and award-winning novelist

"Larry Christenson has unveiled from Esther's example key principles to aid us in our call to intercession. *The Mantle of Esther* is must reading for those with a burden to intercede for others and a desire for a more intimate relationship with the King of kings."--Dr. Morris Vaagenes, retired pastor, North Heights Lutheran Church, St. Paul, Minnesota
