What this Book is About

I hope you do not think that this book tells about just another very interesting supplement that can help some people after taking it for several months. Not so. This Miracle Mineral supplement works in a few hours. The #1 killer of mankind in the world today is malaria, a disease that is usually overcome by this supplement in only four hours in most cases. This has been proven through clinical trials in Malawi, a country in eastern Africa. In killing the malaria parasite in the body, there was not a single failure. More than 75,000 malaria victims have taken the Miracle Mineral Supplement and are now back to work and living productive lives.

After taking the Miracle Mineral Supplement AIDS patients are often disease free in three days and other diseases and conditions simply disappear. If patients in the nearest hospital were treated with this Miracle supplement, over 50% of them would be back home within a week.

For more than 100 years clinics and hospitals have used the active ingredients in this supplement to sterilize hospital floors, tables, equipment, and other items. Now this same powerful germ-killer can be harnessed by the immune system to safely kill pathogens in the human body.

Amazing as it might seem, when used correctly, the immune system can use this killer to only attack those germs, bacteria and viruses that are harmful to the body, and does not affect the friendly bacteria in the body nor any of the healthy cells. In this book I have, to the best of my ability, stuck to the facts of exactly what has happened regarding the Miracle Mineral Supplement.

This book is the story of the discovery and further development of the most amazing enhancement for the immune system yet discovered. Thus it is the greatest solution to mankind's diseases and ills now known; it is not a drug. I believe if you follow my efforts to develop this data and to make it available to the public, the story will help make it real to you and convince you to give it a try. To that purpose I have provided complete details on how to make the

supplement in your kitchen, or to buy most of the ingredients off the shelf. It is entirely possible that you will save someone's life or your own.

Because the Miracle Mineral Supplement functions as a supercharger to the immune system, it is not meant for treatment of any particular disease; rather it is meant to improve the immune system to the point of overcoming many diseases, frequently in less than 24 hours.

My purpose for writing this book is that this information is far too important to allow any one person, one group or even several groups to have control. It The Miracle Mineral Supplement of the 21st Century is information that the world should have. After 5 years of seeing practically nothing done by a group that could have done a great deal, I finally realized that the information simply had to be distributed to as many people as possible or someone would always be out of the loop of receiving this life saving data. It regularly occurs that there is a great deal of important medical information withheld from the public that could save lives. It is my intention to prevent that from happening with this information.
