Tied Up: The Gay Dom Next Door (His Neighbour's Secret Book 1) By Jesse Fuchs

He was a completely normal neighbour on the outside. But inside? I was the only one who knew what went on in there. I've sat below this open window for years listening to the groans of the men he takes home each weekend.

I couldn't help but play with myself as I listened. I enjoyed getting off before hitting the town with Adam. He was a little more adventurous than I was, and we usually went our separate ways, but not tonight. Tonight, he would bring me along on one of his sexcapades.

My cravings became much more real after that night. Adam wasn't around this weekend to help me satisfy them, so I decided to find out exactly what happened on the other side of my neighbour's window...

Please note: This book has been professionally remastered from its original form to sate the naughty appetite of man on man readers. It can be found in its original form as Kept by Jamie Fuchs.
